## *The new HAWEKA Pro-Grip*

*Haweke's best selling quick nut (made of PA) has been redesigned and enhanced. It's hard to imagine wheel balancing technology today without the Pro-Grip quick nut. To the well established technical advantages of the Pro-Grip quick nut we have added a functional and ergonomic design. The new part number: 143 XXX 003*

*The internal parts are the same as in the old quick nut, part number 141 XXX 003*

*The repair kits remain the same*
